EDUCATION

The University of Texas at Austin | Austin, TX

Expected Graduation: May 2025

B.S. - Computer Science

Cumulative GPA: 4.00

Coursework: Introduction to Programming, Energy Analytics Machine Learning and Data Science Research

SKILLS & TECHNICAL TOOLS

Languages: Intermediate Java, Javascript, HTML/CSS, Swift

Technologies: XCode, Cloudshell, Firebase, Git

EXPERIENCE

Google Computer Science Summer Institute | Austin, TX

July 2021 - August 2021

- Developed and applied technical skills to build a project using HTML, CSS, Javascript, API's, Firebase, and Cloudshell.
- Gained exposure in a computer science career in Google's environment through collaboration with Google engineers for 4 weeks.

Texas Ally Real Estate Web Developer Intern | Austin, TX

July 2020 - August 2020

- Created a clean UI website using HTML, CSS, and Javascript while incorporating MLS Database API to display data and information about nearby properties for sale.

Kumon Math and Reading Tutor | Austin, TX

October 2019 - July 2021

- Provided instruction to individual or small groups of students to improve academic performance in math and reading and prepare for standardized tests.

PROJECTS

EZVote | Swift

- A simple app to help young voters get politically active; published on the app store October 2020 and advertised on Karlie Kloss's instagram, reaching nearly 9 million people.

SheTEM | HTML/CSS/Javascript/ReactJS

- A website that affirms that anyone can be a part of a STEM career despite challenges like imposter syndrome.

Post Workout | HTML/CSS/Javascript/Firebase/Cloudshell

- An application that connects people from all over the world who are looking to improve their fitness.
- People can track their progress and share posts regarding their workout and diet plans with their friends.

LEADERSHIP & COMMUNITY INVOLVEMENT

Kode with Klossy | Coding Team | Scholar

July 2020 – Present

- Learned full-stack web development and app development in a selective and intensive learning environment using CSS, HTML, Java Script, Swift, and Xcode to develop a final project.

BAPS | Charity | Networking Leader

June 2006 - Present

- Taught children about religious holidays and helped build theatre stages and various graphic designs for Sunday gatherings.

Dispatch | Newspaper Publication | Editor-in-chief

August 2017 - May 2021

- Accountable for editing, publishing, creating content, and designing the Dispatch Online news publication, a student-led newspaper publication.
- Conducted editorial meetings with staff members to collaborate and review proposed publication suggestions.
